**CAN YOUR MOST JUNIOR EMPLOYEE REVOLUTIONISE YOUR BUSINESS?  
CAN YOU FIND A NEEDLE IN A HAYSTACK AND TURN IT INTO A UNICORN?  
CAN YOU PLAY SPORTS SITTING DOWN?**

**The answer is yes.** All you need is innovation - the ability to think outside the box. This year's Entrepreneurship Forum will focus on the innovative core of entrepreneurship and how the questions starting with "what if..?" can lead to great things and fuel entirely new industries.

Moderated by **Cathy White**, Director for **Geekgirl Meetup UK**, three speakers will take to the stage to share their perspective of tech outside the box. We have the pleasure of welcoming:

**James Dean** *Managing Director, Turtle Entertainment*  
**Erik Fjellborg** *CEO and Founder, Quinyx*  
**Jessica Nilsson** *Partner, Northzone*

The evening will be rounded off with an interactive exhibition where some of the most exciting Swedish tech startups in London will showcase their products and services.

**Welcome!**
